

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

The MAUI CHANNEL SWIM is the original Masters distance relay race in open water. It begins on the Island of Lanai and ends at Ka'anapali Beach on the Island of Maui. In between are some fine rough water and a lot of competitive long-distance swimming. Six-person teams on individual escort boats trade off swimmers after successive 30-minute legs, then switch to 10-minute legs until the finish line is reached anywhere from 3 to 7 hours later depending upon sea conditions. The total distance is over nine miles.

RULES & REGULATIONS

1. Entrants & Eligibility

- 1.1. An official team may be entered by six individuals except for solo swimmers. All swimmers are cautioned that swimming the Channel can be very challenging due to winds and currents which can change during the course of the race. As such, a swimmer who cannot complete 2,000 pool yards or an Open Water mile in less than 30 minutes should not consider participating. If you have any doubts, please contact the Race Director.
- 1.2. All competitors must finish the race within 6 hours (8:00 AM to 2:00 PM) in order to have an official time and to be eligible for applicable awards. Teams not finished can be pulled from the water at the discretion of the Race Referee or Timekeeper. All teams finishing after 6 hours will be unofficial whether or not they complete the race and will not be eligible for any awards.
- 1.3. Date of birth for each team member will be listed on the entry form. There are six (6) swimmers to a team except for solo teams. Swimmers are advised that they may jeopardize their amateur standing under FINA rule GR1, if they participate in Masters competition.
- 1.4. While not required, **all participants are strongly encouraged to register with World Open Water Swimming Association** (WOWSA) which can be found at www.worldopenwaterswimmingassociation.com. A team shall be comprised of 6 swimmers except for solo teams. Teams can be comprised of a mix of members of different clubs.
- 1.5. An official entry must be **legible, mailed hard copy** and include (A) complete Official Entry and Roster Form; (B) Liability Release Form executed by **all** participants; (C) Safety Letter signed by the team's boat captain; (D) Maui Channel Swim Rules signature page (page 3 of 3) executed by team captain and (E) entry fee. **Partially complete applications will be rejected and returned.**

2. Divisions

- 2.1. Divisions are as follows, with appropriate division determined by the combined age of all team members:

	MEN/DEFAULT (Any Number of Men & Women)	MIXED (Exactly 3 men & 3 women)	WOMEN (All Women)
OPEN	OPEN	MIXED OPEN	WOMEN'S OPEN
MAKULE (240+)	MAKULE	MIXED MAKULE	
SENIOR MAKULE (300+)	SENIOR MAKULE		
GRAND MAKULE (360+)	GRAND MAKULE		
EXTREME MAKULE (420+)	EXTREME MAKULE		
SOLO			

The famed Maui Channel "DUKE BOWL" will go to the first team overall. Combined ages will determine the age division of a team. Thus some members of a team may be younger than the age total divided by 6 ($150/6=25$). A "mixed" team consists of exactly 3 men and 3 women. A "woman's" team must consist of ALL women. All other divisions are any combination of men and women competing against each other.

Solo swimmers will be allowed on a case by case basis at the sole discretion of the Race Director, Ian Emberson. Interested swimmers **must** contact Ian directly in order for their entry to be accepted.

3. Competition

3.1. CAPS, BODY MARKINGS & FLAGS:

- 3.1.1. A swim cap is required to be worn by all swimmers during the race. Swim cap colors will be assigned by division as follows and **must be purchased by the team prior to the race.** At a minimum, two caps per team are required.

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

Division	Swim Cap Color
OPEN	Silver
MAKULE (240+)	Royal Blue
SENIOR MAKULE (300+)	Orange
GRAND MAKULE (360+)	Green
EXTREME MAKULE (420+)	Red
MIXED OPEN	White
MIXED MAKULE (240+)	Yellow
WOMEN'S OPEN	Pink

3.1.2. The first and finishing swimmers must have that team's number written on the swimmer's left arm and on the swim cap in order to assist in identification at the start and finish of the race. As such, each team will be responsible for purchasing a black **waterproof** marker. Your race number will be given out at the pre-race meeting.

3.1.3. Each team also must have a flag or towel of the division color (and related swim caps) of such size that it can be easily seen by other boats, swimmers and race personnel.

3.2. General:

3.2.1. ALL ESCORT BOATS are required to monitor VHF 71 frequency in order to allow timing and emergency communication with all boats throughout the race.

3.2.2. TIMING: The official race time is kept by the Timekeeper on Ka'anapali Beach using stopwatches and started by listening over the radio to the starter. Times are recorded to the nearest second when the final swimmer crosses the finish line up the beach. If race finishers are within a second of each other, the Timekeeper determines order of finish or a tie.

3.2.3. Each swimmer's first leg is 30 minutes. Succeeding legs are 10 minutes per person, except for the Ka'anapali Beach finish leg. If the swimmer has passed or is close to the final orange buoy and has reached the end of their 30-minute or 10-minute leg, the team captain may elect to have this swimmer complete the race.

3.2.3.1. Official 30-minute change times will be called out on the radio frequency that all boats are required to monitor throughout the race. Relay changes must occur +/-30 seconds of the change time. Unless dealing with an emergency at the time, the Race Director will direct a race official to call out a 1-minute warning of the upcoming change point, 30 seconds prior to the change point, the change time, and 30 seconds after the change time.

3.2.3.2. Any team found changing team members outside the 30-second window (as best evidenced by videotape) will be penalized, at least, with a time penalty equal to how much time they changed outside the +/-30 second window. Any protests on this matter must be submitted to the Race Referee or Timekeeper within 30 minutes of race finish. Any penalty to be assessed will be determined by the Race Referee based on the evidence provided. Decision of the Race Referee is final and not subject to appeal.

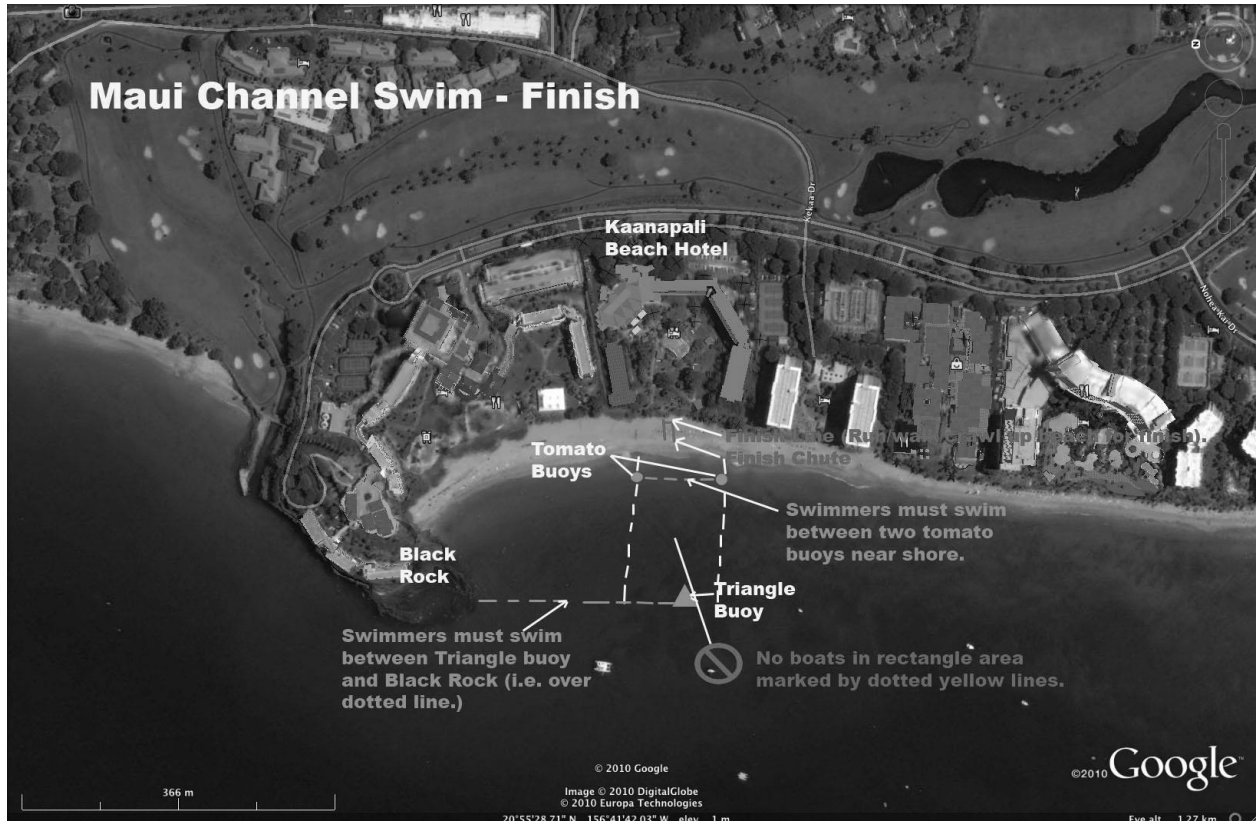

3.2.3.3. If the team captain chooses to switch the swimmers near the finish triangle orange buoy, under no circumstances will the escort boat be allowed to enter the safety area between the orange buoy and the shore. Any escort boat that enters this restricted area will automatically disqualify the team. **No Exceptions.** See map below.

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

3.2.4. PULLING SWIMMERS FROM THE RACE: The starting sequence of swimmers must be maintained throughout the race. If a swimmer cannot take his or her turn for any reason, he or she cannot be replaced by an alternate. In all cases, the Race Referee or Timekeeper must be notified of these conditions. See below for details and examples.

3.2.4.1. If a person cannot swim any part of his or her leg(s), the boat is allowed to keep its motor on only to maintain the present position for the duration of that swimmers leg. In this case, if the next swimmer starts his/her relay leg before the proper time, the team will be disqualified. For instance, if a swimmer gets out for any reason, the boat stays in place until the next 30 or 10 minute relay change point. If the swimmer still does not swim his/her next leg, the boat stays in place during his/her leg. A swimmer may re-enter the water during his leg or for future legs if whatever caused him/her to stop has been resolved and the team may continue forward progress.

3.2.4.2. If a team has to pull a swimmer for any reason, they may choose to motor sideways relative to the finish line to get away from that area, but they may not motor forward.

3.2.4.3. As stated above, competitors must finish the race within 6 hours (8:00 AM to 2:00 PM) in order to have an official time and to be eligible for applicable awards. Before 6 hours, it is up to boat captains to determine whether a swimmer is pulled from the water due to, among other items, significant currents. After 6 hours, the decision to pull a swimmer can be ordered by the Race Referee or any other race official in addition to the boat captain. Any team finishing after 6 hours is not eligible for any award.

3.2.4.4. **TEAMS WITHDRAWING FROM THE RACE FOR ANY REASON MUST NOTIFY THE TIMEKEEPER ON THE EMERGENCY FREQUENCY.**

3.2.5. DRAFTING & PACING BY SWIMMERS:

3.2.5.1. NO DRAFTING WILL BE ALLOWED outside the Lanai Channel (i.e.; the channel dug into the coral reef allowing boat access to the starting beach corresponding to the first 20 minutes of the race).

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

- 3.2.5.1.1. NOTE: While WOWSA rules allow drafting in Open Water races, this swim never has and does not. Further there is a safety component to this no drafting rule: Since boats have to escort swimmers for the entire race, a swimmer drafting puts the escort boat in a position to watch out for other boats and their swimmers – which becomes extremely dangerous as swimmers' positions change and related escort boats gain and lose right of way over one another. Consequently, the Race Director has dictated that any swimmer caught drafting will be disqualified.
- 3.2.5.1.2. Drafting is defined as "the carrying of a swimmer by the wake of the escort boat (including such wake as may exist directly behind or to the immediate side of the boat – Note that for catamarans behind includes between, as well as behind the pontoons) or another swimmer."
- 3.2.5.1.3. Because of the nature of this race, a race official may not be direct witness to any drafting violations. As such, any complaints of drafting must be submitted to the Race Referee or Timekeeper within 30 minutes of the complaining team completing the race. EVIDENCE TO SUPPORT THE PROTEST MUST BE PROVIDED, VIDEO BEING THE BEST EVIDENCE THAT DRAFTING OCCURRED. EVIDENCE TO SUPPORT A PROTEST MUST DEMONSTRATE THAT THE DRAFTING CAUSED ABSOLUTE OR RELATIVE DETRIMENT TO ANOTHER TEAM IN THE SOLE DISCRETIONARY JUDGMENT OF THE RACE REFEREE WHOSE DECISION SHALL BE FINAL WITH NO RIGHT OF APPEAL. THE RACE REFEREE'S DECISION SHALL BE MADE BY 6:00 PM. THE RACE REFEREE MAY DETERMINE WHETHER DETRIMENT WAS CAUSED TO A COMPETING TEAM AND ASSESS A SANCTION IN THE RACE REFEREE'S JUDGMENT COMMENSURATE WITH THE DEGREE AND EFFECT OF DRAFTING. THIS MAY RANGE FROM A TIME PENALTY TO DISQUALIFICATION.

3.2.6. BOATS & SWIMMERS:

- 3.2.6.1. NO PACING; NO PADDLEBOARDS: Rubber rafts are allowed if fixed to the escort boat.
- 3.2.6.2. EYES ON SWIMMERS: Each team is responsible for having a person(s) watching their swimmer at all times. This is absolutely critical at all times but none so more as at the start and finish of the race and during exchanges. While not required, it is recommended that each team purchase a small air horn that can be used to gain the team's swimmer's attention or that of other boats and swimmers.
- 3.2.6.3. Swimmers must swim on either the left or the right side of the boat except during changes or if this poses a safety risk due to ocean conditions. NO DRAFTING off the boat WILL BE ALLOWED. Drafting is defined as "the carrying of a swimmer by the wake of the escort boat (including such wake as may exist directly behind or to the immediate side of the boat) or another swimmer." The same procedure for drafting off another swimmer above applies to this section.
- 3.2.6.4. SWIMMER'S RIGHT OF WAY: The swimmer's safety is the first priority. In all cases, escort boats must give way to the swimmer(s). Boat captains are cautioned to maintain safe distances from all swimmers including those on other teams. If any team's boat becomes a threat to the safety of a swimmer and a complaint is filed with the Race Referee and upheld, the violating team will be disqualified.
- 3.2.6.4.1. If two swimmers are close to each other, the boat for the lead swimmer has the right of way over the boat for the following swimmer. However, in such case, both swimmers have the ultimate right of way and both boats must give way to the swimmers in order for them to follow their chosen path.
- 3.2.6.5. SWIMMER CHANGES: It is the team's responsibility to make sure that boats turn off power to, or disengage, the propellers when swimmers climb into the boat to prevent any possibility of injury. This also applies to individuals not competing such as support staff or swimmers not currently swimming their leg who are getting in/out of the boat (e.g.; for a bathroom break).

3.3. Start

- 3.3.1. When escort boats arrive at the starting area, only the lead swimmer is allowed to swim to the beach on Lanai. All lead swimmers will meet on the beach for a review of safety rules prior to the start of the race.
- 3.3.2. Team members wishing to warm up must stay well away from boats arriving and positioning themselves and are to ask their escort boat to move further down the beach to an area determined to be clear of other boats. This is a safety concern to prevent any accidents from occurring. Even the lead swimmer who is swimming to the beach must be aware of other boats in the area.
- 3.3.3. All "non-lead" swimmers in the water must return to their escort boats by 7:45 AM for an 8:00 AM start.

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

- 3.3.4. All lead swimmers will meet on the beach in order to verify all teams are present and to review safety rules.
- 3.3.5. After all teams are accounted for and safety rules reviewed, the teams will be asked to arrange themselves by division as follows starting with the farthest right as you face Maui:

From the Perspective of Facing Maui	Division
Furthest Right	Open
↓	Makule
↓	Mixed Open
↓	Women's Open
↓	Solo
↓	Mixed Makule
↓	Senior Makule
↓	Grand Makule
Furthest Left	Extreme Makule

- 3.3.6. **THE START WILL BE A WATER START.** Accordingly, at the starter's instruction, all lead off swimmers will meet at the beach to be counted off and given any final instructions. Swimmers will walk/wade to end of pier where the starter will start the race. There will be two jet skis with lifeguards waiting at the end of the channel. All swimmers must swim between the two jet skis before breaking off to look for their boats. All swimmers will swim to the line of jet skis. (approximately 100 yards from shore). Such a start will allow for the escort boats to have better understanding of the beginning location for their swimmer so as to assist them in tracking their swimmer following the start and will allow the lead swimmers to safely clear the reef at Lanai. To start the race from the pier, an official starter will raise a red flag warning all participants of the pending start followed shortly by a green flag and an air horn to indicate the race has begun. Any swimmer or group of swimmers who start before this signal will automatically disqualify their team(s). The official starter is solely vested with the authority to start the race. This authority includes holding up the start of the race in order to assure all teams have crossed the channel to get to Lanai.
- 3.3.7. The starter will be in contact with the Timekeeper via radio at the start to start the official time. The race will start at approximately 8:00 A.M. from Lanai.
- 3.3.8. Team captains are to instruct the boat captains to position their boats at the start to create an "imaginary channel" approximately 100 yards wide to allow swimmers to swim out at the start without being obstructed by boats. Further, boat captains should be instructed to stay outside the various packs of swimmers for the first 20 minutes or so of the race. This will allow the swimmers to gain separation and allow all swimmers in the "imaginary channel" to have the benefit of clean water and clean air. Please be on the lookout for other swimmers in the water; SAFETY IS OUR FIRST PRIORITY.

3.4. Finish

- 3.4.1. The finish line will be in front of the Ka'anapali Beach Hotel, immediately below the "MAUI CHANNEL" banner. At the finish line, the finishing swimmer shall give the team name and number to the race official.
- 3.4.2. A safety zone will be established at the race finish. The zone will be enforced by race personnel on surfboards and standup paddlers. At the finish there will be an orange buoy in the water in front of the Ka'anapali Beach Hotel. Swimmers are to keep this orange buoy on their right shoulder (i.e., swim between the buoy and Black Rock). Two tomato buoys will be near shore marking the swimmer's exit from the water to start their run up the beach. The official finish is on the beach under the banner. The finishing swimmer must have their team number on the left shoulder and must be wearing a swim cap in the designated color for their division.
- 3.4.3. The area between the orange buoy and the shore line is to be considered restricted in order to protect finishing swimmers and spectators. **TEAM CAPTAINS ARE TO INSTRUCT THE BOAT CAPTAINS THAT UNDER NO CIRCUMSTANCES ARE ESCORT BOATS ALLOWED TO ENTER THIS AREA. FAILURE TO COMPLY WITH THIS RULE WILL RESULT IN DISQUALIFICATION OF THE TEAM.** Similar to the start, escort boats are to position their boats a safe distance apart in order to establish an imaginary channel to allow swimmers to approach the finish remembering that swimmers will be coming from the south as well as the north of the orange buoy. Escort boats may drop their other swimmers south of the orange buoy.

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

GENERAL LOGISTICS

4. COURSE:

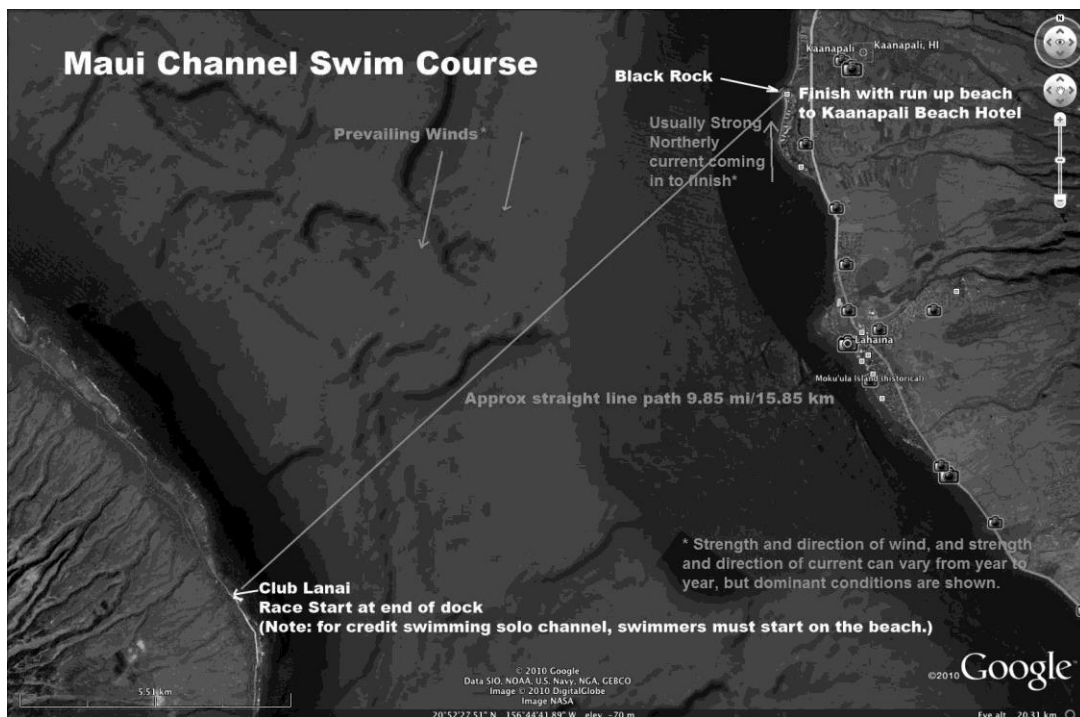

The Maui Channel Swim begins at Club Lanai, at approximately 8:00 AM and finishes on Ka'anapali Beach after swimming 10 miles.

5. SAFETY:

The following section outlines some of the basic safety practices and requirements. A full Safety Plan will be posted on the MCS website at least a week before the event.

The aquatic environment, especially open water, holds a potentially wide range of challenges to swimmer safety. These may include anxiety attacks, physical contact

between swimmers, fatigue, weather, marine life, hypothermia, hyperthermia, cramping, heart attacks, strokes and drowning.

5.1. Team captains must inform boat captains of the issues regarding the safety of all swimmers as well as rules pertinent to their operation of the boat as an escort.

5.2. When at sea, the boat captain is the ultimate safety officer responsible for his/her craft and the passengers on or near his/her boat. They also know ocean conditions and the limits of their craft in those conditions so their decision is final even to the point of disqualifying or stopping the race for his/her team.

5.3. No boats are allowed in the designated finish area inside the buoy from the time the first swimmer completes the race to the last swimmer finishes. Exceptions that do not result in disqualification can only be granted by the head timer or race referee.

5.4. ALL BOATS are required to monitor a frequency defined at the Captains' Meeting to allow timing and emergency communication with all boats throughout the race. The channel for boat communication will be VHF 71.

5.5. Boats MUST turn off power to, or disengage, the propellers when swimmers climb into the boat to prevent any possibility of injury. It is the responsibility of the team to maintain visual contact of their swimmer at all times.

5.6. It is required for swimmers to wear a swim cap in the designated color of their division.

6. ESCORT BOATS:

6.1. Each team is responsible for securing and negotiating for the services of their escort boat. The Race Director will only maintain a list of available boats but makes no representation as to the boat captain's abilities or the vessel's condition. The team has sole responsibility for making such determination and for the final selection and all arrangements with the boat captain. As an additional point of clarification, the Race Director has NO responsibility to insure that the boat will show up on time at a location specified. This is the responsibility of the team.

6.2. This race is sanctioned by WOWSA and, accordingly, escort boats must comply with the rules and regulations governing sanctioned Open Water swimming competitions. The following rules **must** be adhered to:

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

- 6.2.1. Propeller-Driven Motorized Craft – All propeller-driven watercraft (outboard motors) must have a propeller guard(s) installed for the duration of the event. Propeller guards must be of a design that protects swimmers from strikes. If an escort boat cannot fit a propeller guard for any reason, this requirement may be waived at the discretion of the team arranging for the escort.
 - 6.2.2. Motorized Craft with Inboard Motors – There is an exception for boats with propellers forward of the rudder (e.g. inboard motors). Escort boats with inboard motors must comply with the following:
 - 6.2.2.1. On swimmer changes the swimmer exiting may only approach the boat provided the engines are turned off.
 - 6.3. Each team's official entry must include the name of the boat captain and related contact information; the name of the vessel and the boat registration number.
 - 6.3.1. **THIS INFORMATION IS TO BE MAILED (HARD COPY) TO THE RACE DIRECTOR AS SOON AS POSSIBLE BUT NO LATER THAN SATURDAY, JULY 14.**
 - 6.4. Each boat captain is required to read the attached safety letter and indicate their review and understanding of the rules and regulations specified in the safety letter by signing and dating the letter. A signed Safety Letter must be received by the Race Director prior to the race, but in no event later than the Saturday evening Captain's Meeting, in order for the boat to be allowed to escort the team.
 - 6.5. **Safety of the Escort Boat** – Each team is *solely responsible* for assessing the safety of its escort boat and insurance coverage. Such assessment should include, but not limited to, assessing the presence and installation of propeller guards, life jackets, inspection of evidence of liability insurance, etc. No visual inspection will be performed by race officials on the day of the race if propeller guards are required.
7. **ENTRY:**
- 7.1. An **official entry** must include a **complete** Official Entry and Roster Form, executed Liability Release Form for **all participants**, the Safety Letter signed by the team's boat captain, executed Maui Channel Swim Rules (page 3 of 3) and a check for the Entry Fee.
 - 7.2. The package must be completed neatly and must be **LEGIBLE** in all respects. The entry registration must be mailed to:

Ian Emberson
P.O. Box 690169
Makaweli, Kauai, HI 96769
 - 7.3. **The Race Director reserves the right to refuse any entry.** In particular, if an entry is received but is not legible or is not complete, the Race Director will not accept the entry. Resubmission of the entry after the deadline will cause the entry fee to increase to the late fee.
 - 7.4. Entries submitted by email or facsimile will **not** be accepted.
 - 7.5. It is recommended that each team retain a copy of their entry as the Race Director will not return the actual entry.
8. **ENTRY FEE:** The entry fee for a team, including solo swimmers, is \$1,200.00. Entry fees include the price of the buffet banquet for each member of a team and one official Maui Channel Swim t-shirt for each team member. The entry fee is to be paid by check made to MAUI CHANNEL SWIM
9. **ENTRY DEADLINE:** All entries must be **received** by **Saturday, July 14, 2018**. **If received after July 14, the entry fee will be \$1,500.00 for a team.**
10. **TEAM CAPTAIN:** Each team shall have an appointed team captain who is responsible for knowing all the rules and details of the race. The channel for boat communication will be VHF 71. **Please call in if you are pulling out of the race.**
11. **WOWSA REGISTRATION:** While not required, WOWSA registration is strongly encouraged. Registration and membership in WOWSA provides you with accident insurance for all properly sanctioned events and supervised practices of member clubs. Registration can be done online at www.worldopenwaterswimmingassociation.com.
12. **SANCTION:** This event is sanctioned by the WOWSA (not USMS). The official sanction number can be obtained by contacting the Race Director.
13. **SUITS & EQUIPMENT:** All suits and equipment must conform to current USMS open water rules. Wet suits are **NOT** permitted. Support craft other than designated race craft are not permitted. Swimwear shall be made from textile materials. For men, the swimsuit shall not extend above the navel or below the knee. For women, the swimsuit shall not cover the neck, extend past the shoulder, nor extend below the knees. There are no "fastener" specifications.

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

14. CAPTAINS' MEETING: There will be a mandatory organizational meeting at the Ka'anapali Beach Hotel, at 5:00 P.M. on the evening of Saturday, September 1st, near the pool, which also will serve as the banquet area on Sunday night. **TEAM CAPTAINS OR OTHER REPRESENTATIVES FROM EACH TEAM ARE REQUIRED TO BE AT THIS MEETING** to review any last minute changes, instructions for the start of the race and to pick-up official t-shirts. Team captains or the designee will be required to sign in indicating their attendance at the meeting and that they have reviewed and understood all race rules, regulations and safety instructions. **NOTE:** Additional t-shirts and hats will be available for purchase at this meeting and during the banquet on Sunday evening.

15. BANQUET: The banquet on Sunday night will also be held at the Ka'anapali Beach Hotel, beginning at 5:30 P.M. The team's entry fee covers the cost of the banquet for each participant.

Non-participants who wish to attend the banquet may purchase banquet tickets for an additional fee of \$45.00 per person. Please indicate the number of additional tickets on the Official Entry and Roster Form and include the additional fee with the team's entry. If you plan to have extra people attend the banquet, you can pay ahead of time with the entry, at the Captain's Meeting or the evening of the banquet.

Parking for the banquet on Sunday night at the Ka'anapali Beach Hotel is limited at the hotel. We ask for your assistance to park near Luigi's Restaurant, the Whaler's Village parking complex, or walk, if you are nearby.

Due to swimmers wanting to leave early to participate in other swims, the Awards ceremony will start at 6:00 PM. The Waikiki Roughwater Swim will be on Saturday, September 1, 2018. Please indicate if you will not attend the banquet.

16. ACCOMMODATIONS: A special rate is available for Maui Channel Swimmers at the Ka'anapali Beach Hotel. It is best to contact hotel's reservation desk directly. Their phone number is (808) 661-0011, Toll Free Number: (800) 262-8450, Web Site: www.kbhmaui.com. Hawaii residents may request a Kama'aina rate.

17. RACE DIRECTOR: The Race Director with ultimate authority over the conduct of the competition is:

Ian Emberson
P.O. Box 690169
Makaweli, Kauai, HI 96769
Home: (808) 338-0722
Cell: (808) 639-1109 Primary – Coco
Fax: (808) 241-7287
Email Address: CocoEmberson@hawaii.rr.com
Web Site: www.MauiChannelSwim.com

18. GRIEVANCES, COMPLAINTS, PROTESTS AND APPEALS:

18.1. Protests, or intention to file protest, over any infraction or race rule or conduct must be submitted within 30 minutes of the team finishing the race (e.g., within 30 minutes of the team accused of an infraction OR of the team making the protest). Protests should be filed with either the Timekeeper or the Race Referee. A written protest must follow within the hour.

18.2. The Race Referee will either rule on the protest, gather more evidence and then rule, or put together a race committee consisting of the Race Referee and 4 other members (consisting of 4 other members including the Race Referee, Timekeeper, and members of 3 teams participating in the race but not party to the incident) to hear evidence and render a decision.

18.3. A written reply to the protest will be delivered before the awards presentation and delivered to the person making the protest, the person/team who the protest was filed against, and the Race Director. If no decision is made, the results of that race cannot be presented until resolved.

18.4. Any grievance or appeal of the decision of the Race Referee or race committee shall be filed with the Race Director. There is no appeal on the decision regarding rules listed earlier in this document.

19. Race Officials:

19.1. The phone number for the Race Director:

Ian Emberson – (808) 652-4740

19.2. The phone number for the Race Director's escort boat:

Joe Reich – (808) 658-0116

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

19.3. Greg Jenkins will patrol the course on a jet ski. He is trained in CPR, first aid and is professionally trained to provide first aid in an emergency. Contact information is as follows:

Greg Jenkins – (808) 271-8722

19.4. The Race Referee is Sandy Drake and her contact information is as follows:

Sandy Drake – (808) 298-8091

20. OTHER QUESTIONS: If you have further questions about anything not covered here, or about anything that remains unclear after reading all of this, please contact the Race Director. Please call between 8:00 A.M. and 7:00 P.M. **HAWAIIAN TIME** (be courteous; Hawaii time is 3 hours earlier than California). Since we are swamped with telephone calls concerning the MAUI CHANNEL SWIM, we would appreciate it if you would write, email or fax whenever possible.

Team Captain: _____
(Print Name)

*(Send original to Coco Emberson at PO Box 169, Makaweli, HI 96769 and send a copy to the team captain.
An executed copy of this document is required to be received by Coco prior to the race in order for you to escort a team.)*

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

I. MOTORIZED WATERCRAFT FOR THE SAFETY OF THE SWIMMERS:

- A. *Swimmer Changes* – On swimmer changes the swimmer exiting may only approach the boat provided the engines are turned off for all boats forward of the rudder (e.g., inboard motors).
- B. *Safety of Escort Boat* – Each team is solely responsible for assessing the safety of its escort boat. Such assessment should include, but not limited to, assessing the presence and installation of propeller guards, life jackets, inspection of evidence of liability insurance, etc. No visual inspection will be performed by race officials on the day of the race.
- C. Escort Boat information (e.g., captain's name and contact information, boat name and registration) should be mailed (hard copy) to the Race Director as soon as possible but no later than Saturday, July 14.

II. VOLUNTEERED WATER CRAFT AND SUPPORT CRAFT FOR THE RACE

- A. The Race Director will be on the race course patrolling the course in case any assistance may be required. Contact information is as follows:

- 1. The phone number for the Race Director:

Ian Emberson – (808) 652-4740

- 2. The phone number for the Race Director's escort boat:

Joe Reich – (808) 658-0116

- 3. The Race frequency over VHF:

VHF – 71

- B. Greg Jenkins will patrol the course on his jet ski. He is trained in CPR, first aid and is professionally trained to provide first aid in an emergency. Contact information is as follows:

Greg Jenkins – (808) 271-8722

- C. The Race Referee is Sandy Drake and her contact information is as follows:

Sandy Drake – (808) 298-8091

III. OTHER GENERAL INFORMATION:

- A. Although there is no guarantee, the Race Director will work to hire a backup boat(s) in case any team's boat experiences mechanical problems. In the event, a team needs the assistance of the backup boat, they will be responsible for all fees related to this backup boat (and, possibly, their original escort boat). Call one of the numbers listed above.
- B. There will be several kayakers and stand up paddlers to patrol the *safety zone* at the finish. These safety patrols will make sure that no boats enter the *safety zone* at the finish. Please read and review the chart showing the finish area and placement of buoys.

ANY ESCORT BOAT ENTERING THE SAFETY ZONE WILL BE DISQUALIFIED.

NO EXCEPTIONS.

- C. Please review FINISH RULES explaining the safety zone rules.

Please read the following pages that explain all the rules, diagrams and divisions.

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

MAUI CHANNEL SWIM RULES

1. GENERAL INFORMATION

- 1.1. The Maui Channel Swim will be held on the Sunday, September 2nd, 2018.
- 1.2. Boat captains are expected to attend the Captains' Meeting to be held on Saturday, September 1st, 2018, at approximately 5:00 PM at the Ka'anapali Beach Hotel. All team captains are required to attend or a representative of the team. All rules will be reviewed. There will be time for any questions at the end of the meeting.
- 1.3. This race is held in the open ocean and conditions regarding winds and currents can change during the race. Any team experiencing any major difficulty is to call the Race Director (**Ian Emberson – (808) 652-4740**) or 911.
- 1.4. There will be a Race Referee at the finish and a timer. The direct number to call for finish line at Ka'anapali Beach is 808-639-1109.

2. START OF THE RACE:

- 2.1. The race begins on Lanai and ends in front of the Ka'anapali Beach Hotel. The total distance is less than 10 miles.
- 2.2. All competitors must finish the race within 6 hours (8:00 AM to 2:00 PM). If the team is very close to the finish line, they may finish, but they will not have an official time. Team not finishing within the time limit will not be eligible for any awards. It is up to the boat captain to pull the swimmers from the water IF they are quite a distance away from Maui.
- 2.3. Each boat must display a flag, banner or towel corresponding to the color assigned to the team's division. All members of the team are required to have a swim cap of the color corresponding to their division. This will help others to easily identify teams.

3. RACE RULES

- 3.1. No pacing. No paddleboards. No rubber rafts are allowed unless they are affixed to the escort boat.
- 3.2. Duration of swimmer's leg:
 - 3.2.1. **First Round** (6 swimmers) – In the first round, each swimmer's first leg is 30 minutes. Thus the first round will take 3 hours.
 - 3.2.2. The starting sequence of swimmers must be maintained throughout the race. Alternate swimmers are not allowed. If a swimmer cannot swim his/her leg, the boat must maintain its position (not going forward or sideward) for the entire time that swimmer is not in the water. The next swimmer may not start earlier.
 - 3.2.3. **Second Round** (6 swimmers) – In the second and succeeding rounds, each swimmer's leg is 10 minutes in duration. If the swimmer has passed or is close to the final buoy and they have reached the end of their 10-minute leg, the swimmer may continue to shore and finish the race.
- 3.3. **Timing of Changes** – The Race Director, Ian Emberson, WILL ANNOUNCE official 30 minute changes on the radio frequency which all boats are required to monitor during the race. Relay changes must occur +/- 30 seconds of the official change time.
- 3.4. **Drafting** – No drafting behind another swimmer is allowed except during the first 20 minutes after the start. No drafting behind an escort boat is allowed at any time during the race. Swimmers must swim to the left or right of the escort boat.

4. START RULES

- 4.1. **Lead Swimmer** – When escort boats arrive to the starting area, only the lead swimmer is allowed to swim to the beach on Lanai. Prior to the race start, the lead swimmer shall swim to shore for a meeting at which the official starter will review rules and will check in teams.
- 4.2. **Warm Up** – Swimmers wishing to warm up in the water must stay well away from boats arriving and positioning themselves. It is advised that escort boats drop the first swimmer and then proceed to an area away from other boats to allow swimmers to warm up free of boat traffic. All swimmers in the water must return to their escort boat by 7:45 AM for an 8:00 AM start.
- 4.3. **Escort Boat Positioning Prior to Start** – Boats should be in position well before the 8:00 AM start time. Boats will line up well outside of the reef, with a lifeguard on a jet ski providing direction.
- 4.4. **Water Start** – The official race start will be a water start from the end of the pier. The lead swimmers will walk/wade to the end of the pier. At the start, swimmers will swim between two jet skis before breaking off to find their escort boats. Each swimming division has an assigned swim cap color to make it easier to identify your swimmer (i.e., all Open teams will have one specific color; Women's teams

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

will have another color, etc.). All escort boats within the same division will line up together. Final instructions as to the placement of the teams and escort boats will be provided at the Captains' Meeting.

- 4.5. **Imaginary Channel at Start** – At the start, escort boats are to position themselves in order to create an “imaginary channel” approximately 100 yards wide to allow swimmers to swim out from shore at the start without being obstructed by boats. This imaginary channel is to be maintained for the first 20 minutes or so of the race. This will allow the swimmers to gain separation and allow all swimmers in the “imaginary channel” to have the benefit of clean water and clean air. Please be on the lookout for other swimmers in the water.

SAFETY IS OUR FIRST CONCERN.

PLEASE WAIT FOR YOUR ESCORT BOAT TO PICK UP THE SWIMMER.

5. RULES FOR ESCORT BOATS (see above)

6. FINISH RULES

- 6.1. **Safety Zone** – A safety zone will be established at the race finish. Please refer to the map. The area between the orange buoy and the shore line is to be considered restricted in order to protect finishing swimmers and spectators.
- 6.2. **Safety Zone Patrol** – The zone will be enforced by race personnel on surfboards and standup paddlers. Their directions must be followed.
- 6.3. **Orange Buoy** – At the finish there will be an orange buoy in the water in front of the Ka'anapali Beach Hotel. Swimmers must round this orange buoy with the buoy off their right shoulder. **UNDER NO CIRCUMSTANCE** will boats be allowed to enter the area between the orange buoy and the shore!

UNDER NO CIRCUMSTANCES ARE ESCORT BOATS ALLOWED TO ENTER THIS SAFETY ZONE.

FAILURE TO COMPLY WITH THIS RULE WILL RESULT IN IMMEDIATE DISQUALIFICATION OF THE TEAM.

NO EXCEPTIONS!

- 6.4. **Imaginary Channel at Finish** – Similar to the start, escort boats are to position their boats a safe distance apart in order to establish an imaginary channel to allow swimmers to approach the finish. **REMEMBER** that swimmers will be coming from the south, as well as, the north of the orange buoy. Escort boats may drop their other swimmers south of the orange buoy and safety zone.

7. SAFETY RULES

- 7.1. **SAFETY IS THE FIRST PRIORITY!** The aquatic environment holds a potentially wide range of challenges. These may include anxiety attacks, physical contact between swimmers, fatigue, weather, marine life, hypothermia, hyperthermia, heart attacks, cramping, strokes, and drowning to name a few.
- 7.2. All boats are required to monitor the following radio channels:

VHF 71

to allow timing and emergency communication with all boats, lifeguards and organizers throughout the race.

- 7.3. **SWIMMER'S RIGHT OF WAY:** The swimmer's safety is always the first priority in all decisions.
 - 7.3.1. In all cases, escort boats must give way to the swimmer. Boat captains are cautioned to maintain safe distances from all swimmers, including those on other teams.
 - 7.3.2. If two swimmers are close to each other, the boat for the lead swimmer has the right of way over the boat for the other swimmer, but in any case, both boats must maintain safe distances from both swimmers to give them room to avoid each other while maintaining their line and avoiding any potential drafting infraction.
- 7.4. **BOATS MUST TURN OFF POWER TO OR DISENGAGE PROPELLERS** when swimmers climb into the boat to prevent any possibility of injury. This also applies to individuals not competing (e.g., support staff or swimmers not currently swimming their leg who need to go into the water for any reason).
- 7.5. Boat captains have the right to pull a swimmer from the water due to, among other reasons, significant currents or other dangers. The boat must maintain their position until that swimmer may enter the water again. However, if needed, the boat may motor sideways to the finish, but no nearer, to avoid the danger.
- 7.6. **TEAMS WHO WITHDRAW FROM THE RACE FOR ANY REASON MUST INFORM THE RACE DIRECTOR OR THE TIMER FROM THE BOAT RADIO.**

Maui Channel Swim

Established in 1972

DATE OF SWIM: Sunday, September 2, 2018

I HAVE REVIEWED THE **MAUI CHANNEL SWIM RULES** AND UNDERSTAND THEM and I HAVE REVIEWED THE RULES WITH MY BOAT CAPTAIN TO INSURE HIS UNDERSTANDING. FURTHER, I AGREE TO COMPLY WITH ALL RACE RULES AND INSTRUCTIONS and I HAVE RECEIVED MY BOAT CAPTAIN'S POSITIVE AFFIRMATION THAT HE/SHE WILL ALSO COMPLY WITH ALL RACE RULES AND INSTRUCTIONS.

I UNDERSTAND THAT IT IS MY RESPONSIBILITY TO ARRANGE THE TIME AND LOCATION AT WHICH MY TEAM IS TO BOARD THE ESCORT BOAT ON RACE DAY. RACE COMMITTEE HAS NO RESPONSIBILITY IN THIS MATTER.

LIABILITY RELEASE FORM

Competitors recognize that this is the longest Open Water relay race in the world that brings unique difficulties not found in other Open Water competitions. THIS SHALL INCLUDE THAT IN CONSIDERATION OF THE COMPETITORS' PARTICIPATION IN THE EVENT THE ORGANIZERS SHALL EXERCISE THEIR BEST EFFORTS AND DUE DILIGENCE TO, PROVIDE REALISTIC RESCUE AND RELATED ASSISTANCE TO AND AS REASONABLY REQUIRED BY ANY COMPETITOR. AND THAT, DESPITE HAVING DONE SO, COMPETITORS WAIVE ANY CLAIM AS MIGHT BE HAD BY ANY ONE OF THEM FOR ANY FAILURE BY THE RACE ORGANIZERS TO HAVE PROVIDED SUCH ASSISTANCE WHICH TURNED OUT NOT TO BE EFFICACIOUS IN PREVENTING HARM, INJURY OR DEATH TO ANY COMPETITOR.

Due to the extended exertion, potential hazardous ocean conditions, and possible interactions with ocean creatures in the hot sun and strong winds that put the body under stress, and that you may be far from immediate medical care while out to sea, I understand that I should consult a physician before participating in this race.

I, the undersigned participant, intending to be legally bound, hereby certify that I am physically fit and have not been otherwise informed by a physician. I acknowledge that I am aware of all the risks inherent in Open Water Swimming (training and competition), including possible permanent disability or death, and agree to assume all of those risks. AS A CONDITION OF MY PARTICIPATION IN THE OPEN WATER SWIMMING EVENT OR ANY ACTIVITIES INCIDENT THERETO, I HEREBY WAIVE ANY AND ALL RIGHTS TO CLAIMS FOR LOSS OR DAMAGES, INCLUDING ALL CLAIMS FOR LOSS OR DAMAGES CAUSED BY THE NEGLIGENCE, ACTIVE OR PASSIVE, OF THE FOLLOWING: WORLD OPEN WATER SWIMMING ASSOCIATION, HOST FACILITIES, EVENT SPONSORS, EVENT COMMITTEES, OR ANY INDIVIDUALS OFFICIATING AT THE EVENT OR SUPERVISING SUCH ACTIVITIES. In addition, I agree to abide by and be governed by the rules of WOWSA. Finally, I specifically acknowledge that I am aware of all the risks inherent in open water swimming, and agree to assume those risks.
